

EXCEPTIONAL CONNECTIVITY WITH HIGH SPEED COLOUR PRINTING AND DURABILITY.

The multifunction WorkForce 4-in-1 colour inkjet printers, WF-2528 and WF-2538 allow you to print, scan, copy and fax with low cost ink cartridges and enjoy high durability. Exceptional printing capabilities come with Epson Connect services, allowing you to print web pages, important documents and photos wirelessly from compatible devices such as iOS and Android.

ENGINEERED FOR BUSINESS

Ultra Compact All in One

Print, copy, scan and fax all your documents with one single printer and save unnecessary cost.

Low Cost Ink Cartridges

Enjoy affordable individual ink cartridges that come with exceptional low cost for black ink cartridges and ensure long uninterrupted printing.

Wireless Printing with Epson Connect

Integrated wireless connectivity for easy shared and mobile printing.

The all-in-one WorkForce printers are designed to give you more with less; more functions and features that come with low cost. Scan, copy and fax your documents with an impressive colour print speed and affordable individual ink cartridges, saving you unnecessary cost.

Ultra Compact All in One

Print, copy, scan and fax your documents with the WorkForce printers that come with wireless printing capabilities* and save unnecessary cost and time.

Low Cost Individual Ink Cartridges

Built for optimum affordability, the WF-2528 and 2538 printers come with impressive print quality and efficiency. With the option of 190XL high-capacity black ink cartridge that reduces the replacement times of consumables, the WorkForce printers let you indulge in uninterrupted printing and efficiency at its best.

*Applicable to WF-2538 only

Wireless Printing with Epson Connect

With Epson Connect, printing documents or photos from anywhere in the world would be wireless and effortless.

- **iPrint** lets you print directly from smart devices. You can also scan to your device to send as an email, or upload to cloud services such as Box.net, Dropbox, Evernote® or Google® Doc™.

- **Email Print***

Print to any Email Print enabled Epson printer from any devices or PC with e-mail access. Email Print features a unique e-mail address assigned to your printer. Simply send your mail to that e-mail address, and your document will be automatically printed. Customise your print settings conveniently at Epson Connect portal using your registered login account.

- **Remote Print Driver***

Print to a compatible Epson printer anywhere in the world using a Windows PC with the Remote Print driver installed or from an IOS or Android device with iPrint 3.0 and simply print via internet connectivity as if your printer is connected to your device, it is as easy as clicking on File/ Print.

Other mobile solutions:

- **Apple® AirPrint™*** enables easy wireless printing from your iOS devices.
- **Google Cloud Print™*** allows you to print with Gmail™ or Google Docs account either from your smart devices or Google Chrome Browser on PC.

*Applicable to WF-2538 only

Wi-Fi/Ethernet-Accessibility

WF-2528 and 2538 can be shared within your work group with its Wi-Fi*/ Ethernet** function, increasing efficiency and productivity.

*Applicable to WF-2538 only

**Applicable to WF-2528 only

Maximise Productivity with Fast Prints

With a print speed of up to 34 pages per minute (ppm) and laser quality print outs at 9ppm, waiting time will be significantly reduced. Printing quick reference documents has never been easier and more efficient.

Small Footprint

The WorkForce printers not only work well, but also fit comfortably in your office. They sport a compact design and footprint that can be easily integrated into small desktops.

Faxing Made Easy

Sending and receiving fax is now a breeze with 30-page automatic document feeder (ADF), Broadcast Fax and PC-fax function that allow you to send multiple documents simultaneously through your computer. The WorkForce printers feature a 180-page fax storage memory, ensuring that all your incoming faxes will be received securely.

Smudge, Fade and Water Resistant Prints with Epson DURABrite™ Ultra Ink

Epson DURABrite Ultra ink is ideal for workgroups that require volume printing with fast performance and high reliability. Superior print quality is now possible with this smudge, fade and water resistant ink that can be replaced easily, as and when needed for different colours.

Easy to Use

WF-2528 and 2538 printers come with a rear feeder tray capable of supporting various types of media, including labels, thick paper, envelopes and special photo paper.

Better Products for a Better Future™

Minimise energy costs with these Energy Star certified printers that have up to 70% lower power consumption than conventional lasers without compromising high productivity.

*Results based on Epson internal testing conducted using US-equivalent 120V models.

Dimensions & Weight

WF-2528

Weight: 5.8 kg (12.8lb)

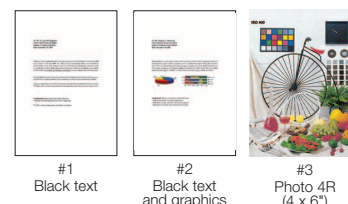

WF-2538

Weight: 5.8 kg (12.8lb)

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 When printed on Epson Premium Glossy Photo Paper.

*3 Otherwise 3 mm top, left, right, bottom.

*4 In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal. Part of the ink from the first cartridges is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.
